

STUDIO LOCATION & PARKING

2061 Yukon Street Vancouver, BC

- Yukon St. is one block east of Cambie St.
- The intersection is approximately 4th Ave. and Yukon St.
- There's a Starbucks on the corner of 4th Ave. & Yukon; the studio is located in the back alley behind Starbucks.
- In this back alley, there are two **red doors**. We are the middle one up the small flight of stairs.

- Below is a photo of our building facing onto Yukon St. The back alley is located between this building and the new apartment building in the right side of this photo.

STUDIO LOCATION & PARKING

PARKING

The studio is located in a back alley, which our door opens on to, so you can always drop off materials before parking if that helps.

- **Free Parking:** On 4th Ave, there are many free parking locations that will be fairly easy to find in the evenings.
- **1 Hour Parking:** Throughout the area, there are many 1-hour parking spots sprinkled about. Parking becomes free after 6PM for each of these 1-hour spots, so you can park there anytime after 5PM.
- **Paid Parking:** Everything east of Yukon St. is \$1/hour, while everything west of Yukon is \$2/hour.

SAFETY

We are located right beside to 2 police stations, so the area is saturated with police passing by on foot and in their vehicles. Safety will not be an issue, even if you park 2-3 blocks away.

Feel free to call me at 778.319.5756 if you have any questions.

Best,
Justin
